WHO SAID MONEY DOESN'T GROW ON TREE ?

“ HERE IS AN OPPORTUNITY TO SEEN YOUR MONEY GROWTH ALONG WITH THE GROWTH OF A TREE”

OUR VISION

To establish India as the world's leading hub for sandalwood cultivation, production and export while fostering innovation in sandalol based medicines, promoting eco friendly farm tourism and creating sustainable employment opportunities across the nations.

OUR MISSION

- To develop one thousand acres of land under well planned scientifically managed sandalwood cultivation.
- To provide a secure transparent and trustworthy platform for investors in sandalwood farming.
- To create over thousand sandalwood farm based resorts and cottages integrating agriculture, tourism, sustainability and rural development.

From the sandalwood trees we grow on your land. You can expect to earn up to 50 times your initial investment within 15 years.
